

Remote Education and Tuition Agreement

2019-2020 School Year

This agreement, entered into by and between, Converse County School District 1, Douglas, Wyoming, hereinafter referred to as Converse 1, and Converse County School District 2, Glenrock, Wyoming, hereinafter referred to as Converse 2, fulfills the requirements of WS 21-13-330(m) regarding remote education agreements.

Converse 1 agrees to provide a fully certified instructor for the course entitled Biology 1000, to teach the class in person, in a physical classroom at Douglas High School, Douglas, Wyoming, while also providing remote instruction to students located at Glenrock High School, Glenrock, Wyoming.

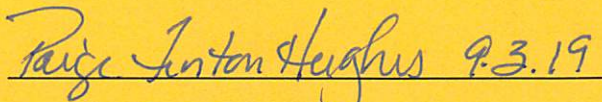

The delivery of the course will be interactive using the CANVAS learning management system which enables questions and comments between teacher and students. Moreover, the instructor will also provide synchronous delivery of instruction periodically throughout the course.

Students participating in this course are located at both Glenrock High School and Douglas High School where they are supervised by staff members who monitor attendance and progress.

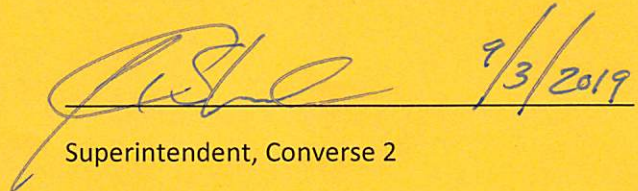

- The Converse 1 instructor monitors the academic progress in the remotely taught course and provides any necessary academic information to Glenrock High School.
- The Converse 1 instructor provides the necessary instructional support for the remotely taught students and notifies and assists any of those students not performing satisfactorily.
- The Converse 1 instructor maintains the students' records for the remotely taught courses taken by the student and, as necessary, shares educational information with Converse 2.

Biology 1000 is considered a concurrent enrollment course. Therefore, students enrolled in Biology 1000 will be reported to the Wyoming Department of Education in the same manner as any other K-12 concurrent enrollment course. Biology 1000 complies with and fulfills the state education program established by W.S. 21-9-101 and 102 and meets the program standards agreed upon by Converse 1 and 2.

For the purposes of tuition payments, the courses and services to be provided are outlined above. Tuition will be paid by Converse 2 to Converse 1 on a per course basis. The per student cost for 2019-2020 school year is \$354.00. That amount will be paid for each student who completes Biology 1000. Payment for the students who completed Biology 1000 will be rendered by June 30, 2020. In addition to tuition, instructor will be reimbursed for on-site instruction provided in Converse 2, Glenrock, Wyoming.
