

USER AGREEMENT FOR STUDENTS AND STAFF

As a user of the Converse County School District No. 2 computer network, I hereby agree to comply with School District policy IJNDA and the rules set forth therein pertaining to communication over the Internet in a reliable fashion while honoring all relevant laws and restrictions. I agree only to use the Internet for legitimate, educational purposes.

I do hereby expressly consent to allow school district personnel, to access and review any computer files, e-mail transmissions, and other computer data and/or information received by or sent from me in order to ensure that the school district computers are being used appropriately and solely for educational purposes.

PARENTAL PERMISSION FORM

As the parent or legal guardian of the student signing above, I grant permission for my son or daughter to access the network for computer services, such as electronic mail and the Internet. I understand that individuals and families may be held liable for violations. I understand that some materials on the Internet may contain items that are illegal, defamatory, inaccurate or potentially offensive to some people, and I accept responsibility for guidance of Internet use, including setting and conveying acceptable standards to my son or daughter to follow when selecting, sharing, or exploring information on this network. We do hereby release the School District, its Board of Trustees, staff, and agents, from any liability of any kind arising out of our son's or daughter's use of the computer/Internet system at the school.

We do hereby authorize school district personnel, including teachers, aides and administrators, to access and review any computer files, e-mail transmissions, and other computer data and/or information received by or sent from the student named above in order to ensure that the school district computers are being used appropriately and solely for educational purposes.

Parent consents to allow school to use Internet (Website) operators to offer online programs for the benefit of students and the school system, such as for communication regarding homework, facilitating online testing and/or communication regarding grades.

The school requires that the service provider assure the school that it has in place a procedure or security system to maintain the confidentiality of any personal information that the service provider could have access to.

Because these services or programs will necessitate giving access to student personal information to the Internet or Website operators that host or facilitate these programs, the school must represent that it has parental permission for this and your execution of this policy/handbook shall be considered permission.
